Dear sir:

We just received to-day your letter with the copy of your report of August 5th. We are sorry for not having answered to it, but we never got that letter; it must have got lost in the mail.

Anyhow, thank you for the interest you show for our station. We are glad to see that we can be heard from such distance.

After checking up your report, we can tell you that it was correct.

Hoping this information will give you satisfaction, we beg to remain,

Yours truly,

André Hourlier,
Chief engineer.
